

Application to remove an electricity supply

Use this form to permanently remove the electricity supply for a property in NSW, ACT, QLD or SA.

Email your completed form to newconnections@originenergy.com.au – just remember to scan both sides.

1. Property details

Property type: Residential Commercial

Lot Level Unit no.

Street no. Street

Suburb

State Postcode

National Meter Identifier (NMI)

Electricity meter number(s)

Providing accurate NMI and meter numbers helps us to remove the correct service.

2. Access details

Is there clear and safe access to the property? yes No

If no, what's preventing access? (eg. locked gate, building debris, unrestrained animals on site)

3. Abolishment details

Preferred date for abolishment*

Is anyone living at the property? Yes No

If yes, date property will be vacant#

Additional comments

*Abolishments can take up to 30 business days once we send the request. While we'll try to schedule it for your preferred date, we can't always guarantee it.
#The property must be vacant for the meter and supply to be removed.

4. Applicant details

Person responsible for any fees that may apply

Full name

Phone

Email

Company if applicable

ABN Required if held under a company name

Postal details (you must provide a postal address)

Lot Level Unit no.

Street no. Street

Suburb

State Postcode

5. Fees, process and timings

Meter abolishment fees

Distributors may charge fees for removing their meters and/or the supply and they'll pass on any fees to you directly or to us. If they charge us, we'll pass on the fees to the customer.

Origin may charge an administration fee of \$49.50 (incl GST) for coordinating customer-initiated requests for the removal of an electricity meter and this will appear on the customer's bill as a 'meter works administration fee'. This fee doesn't apply to Origin Standing customers. You can find out more details about the current fees at originenergy.com.au/meterfees.

Access to the property

To get your work done, you'll need to give us clear and safe access to the property and the meter. Just so you know, if we don't have this, we'll need to reschedule the work for another day and fees may apply.

Process and timings

To find out what you need to know about removing an electricity meter at a property, head to originenergy.com.au/meters to get the details.
